

Assistant Production Manager – Turpin Oklahoma

M2P2 is an aggressive fast paced swine company headquartered in Ames, Iowa. We are seeking an Assistant Production Manager in our Oklahoma sow location.

If you thrive in a fast paced environment, are able to multi-task, be assertive and enjoy being part of team that is always striving to be the best in the industry then we have an opportunity for you. We are looking for someone that has a passion to help M2P2 continue to Redefine World Class.

This position has accountability for all production related activities at the M2P2 – Oklahoma Operations.

Essential Functions include, but are not limited to:

- Focused efforts on reduction of costs and increased throughput.
- Assist with executing yearly production output budgets, expense budgets and necessary capital spending budgets.
- Facilitate timely actions in response to any external or internal production related audits. This may include; safety, electric, maintenance, swine handling, bio-security and general production.
- Work with Maintenance Manager to ensure maintenance, repairs and cleanliness of the facilities is completed in a timely fashion.
- Assist with ensuring products meet internal and external specification of pig quality and quality control programs.
- Responsible for actions of direct reports.
- Take an active role in the companies, SOP program, safety program and bio-security program.
- Complete special projects, and other assigned duties.

The ideal candidate will have the following qualifications:

- General understanding of the swine industry.
- Ability to effectively communicate in English both orally and in writing with employees and company contacts.
- Be able to successfully engage in multiple projects simultaneously.
- Be able to lift and/or move up to 25 lbs and occasionally lift and/or move in excess of 50 lbs.
- Be able to physically move, unload and load animals up to 550 pounds.
- Be capable of repeated actions.
- Be able to walk and stand for long period of time on different surfaces including concrete.
